Experience

Freelance Software Developer

2022-present

- Create, architect, and maintain web platforms and other applications from mockups to complete products for individuals, organizations/clubs, and small/boutique businesses.
- **Skills:** Full-stack web development and product management – React, Node.js, Express.js, MongoDB, JavaScript, Git, HTML5/CSS, SASS, RESTful API, Figma, Slack, Zoom

Software Engineer Intern, Issa

2022-present

- Issa is a software infrastructure platform for migration. I contributed to the metrics dashboard to help businesses keep track of their employees.
- **Skills:** React, Node.js, Express.js, JavaScript, Git, HTML5/CSS, RESTful API

Project Manager, OutBrave

2022

- Project lead for a new initiative supporting small business owners across Thailand.
- OutBrave is a startup studio for humanitarian work led by a team from Stanford University, International Rescue Committee, and UNHCR; with operations in 27 countries on 4 continents.

Co-owner & Director of Partnerships, Planet Auto Bangkok

2020-2022

- Managed all partnerships, contracts, and international operations for a small family-run automotive retailer, representing US\$3.5 million in sales over my tenure.

Beauty Consultant, KIKO MILANO

2018-2019

- Served at the Cambridge flagship store for KIKO, the leading Italian beauty brand. Advised KIKO clientele through beauty and cosmetic expertise and managed over US\$2.5 million in sales.

Psychology Student Researcher, Anglia Ruskin University

2018-2020

- Psychology research initially dedicated to frisson (psychophysiological pleasure/reward response) and attention (specifically the somatic release for ADHD) before transitioning to ethnographic investigation of hate crime to support the Black Lives Matter and the Stop Asian Hate movements.

Chief Of Staff, Makeup by Moré

2018-2020

- Led operations and communications for Makeup by Moré through its explosive growth and acclaim by global brands like Fenty Beauty by Rihanna, Too Faced Cosmetics, and The Observer.

Education

Chulalongkorn University

Applied Chemistry

- Skipped 3 years of high school and got accepted into the leading university in Thailand. Dropped out after a semester.
